

John S. Shackleton (Sheffield) Ltd

Steel & Iron Stockholders

WAREHOUSE DRIVER / TRANSIT DRIVER POSITION

John S Shackleton (Sheffield) Ltd is a family run steel stockholder established in Sheffield for over 50 years.

With a wealth of experience in satisfying customer needs, we aim to be the answer for all types of steel requirements by maintaining an extensive stock range, providing competitive prices and supplying excellent customer service.

We are looking to expand our business by seeking an experienced Warehouse Operative / Transit Driver to join our knowledgeable, professional and friendly team.

The main duties of the role will include:

- Preparation of all outgoing stock.
- Using cutting machinery to ensure all customer orders are completed accurately and to a high standard.
- Working closely with the sales team to ensure all orders are completed accurately and within the agreed timeframe.
- Checking all material loaded onto our vehicles or customer vehicles is loaded accurately, correctly and safely.
- Checking all steel movements off suppliers' vehicles and signing paperwork.
- Booking in stock deliveries and completing the booking in slips.
- Recording of any Non Conformances, including completion of the NCR form.
- Assisting other warehouse employees with their daily duties when required
- Loading and unloading of vehicles.
- Making deliveries / collections in the company transit van
- Any other reasonable duties, which may be required by Management from time to time.

The successful candidate will have:

- Previous experience in a similar role – Essential
- Full UK Driving Licence - Essential
- Knowledge of the steel industry – Desirable
- Previous experience working on band saws - Desirable

Job Types: Full-time, Permanent
